**VAC ME:** Vacuuming is not included with pool openings, but may be added. Note: vacuuming results will vary based on clarity. We feel that a vacuum to waste/trash vac is a tremendous value and provides a great start to the season, however, it does not guarantee "mid-season" perfection. In rare cases, due to extremely poor visibility, the vacuuming may need to be rescheduled after clarity has improved. A rescheduling fee of \$80 may apply.

- Open  **\$150**  
 Close  **\$150**  
 Both  **\$300**

Vacs cannot be added after opening is scheduled.  
Late additions may result in your date being moved.

(Opening **OR** Open/Close + Vac) **GRAND TOTAL**

**REPAIR AUTHORIZATION:** It is common when opening to discover repairs that should be performed. The option of pre-authorizing repairs can often save you the hassle and expense of an additional service call.
