Spa Maintenance

- WEEKLY \$75** *Includes (as needed):* Test water and add necessary chemicals to balance water. Skim surface for debris, empty out skimmer baskets, clean filter. Add water as necessary and turn off water source before departure. Customer is responsible for providing access to running water and electricity, if service is unable to get water to proper level before departure, customer is responsible for achieving the proper spa water level. Any service provided above and beyond our standard maintenance will be billed at \$95/man-hr.

ALL SERVICES WILL BE PERFORMED BASED ON GEOGRAPHICAL LOCATION

1. Homeowner is responsible to maintain code compliance with the city on issues such as fencing, gates and all other safety issues.
2. Chemicals will be provided by Poolside for weekly pool contracts. This includes stain & scale preventor, algacide & pH & alkalinity adjustments.
3. Homeowner is responsible for initial water balancing, including cost of chemicals and any additional labor required.
4. Homeowner is required to contain or restrain their pets. If a pet prevents service, customer will still be charged.
5. Should the pool be unusually dirty at the time of service due to storm damage/debris or similar unexpected event, there will be an additional charge of \$95/hr for each hour over the normal time. Additional chemical charges may be incurred in these circumstances.
6. Any repairs to pool or equipment will be billed at \$95/man hr plus parts.
7. Payment terms: A valid credit card must be on file & will be billed weekly in order to insure uninterrupted service. Repairs are billed and payable upon completion.
8. Service may be terminated, at will, by either party without any advance notice.
9. Complete customer satisfaction is our goal. Please notify Poolside promptly if service is not to your complete satisfaction so that we may look into the matter and address all issues quickly. It's also okay to let us know that we are doing a great job! We appreciate your business and the relationships that we build!

Payment Information Must Accompany This Form

Payment Terms: A valid credit card must be on file and will be billed and paid at the beginning of the month in order to insure uninterrupted service. Repairs are billed when authorized and completed. Unpaid bills will result in suspension or cancellation of service.
